SHELLFISH REGULATIONS

TOWN OF TISBURY

By authority vested in the Selectmen of the Town of Tisbury by Chapter 130 of the Massachusetts General Laws as amended, and by vote of the Town, at the Annual Town Meeting, held February 13, 1945, specifically Article 11, authorizing the Selectmen to control, regulate or prohibit the taking of eels, clams, quahogs and scallops within the Town of Tisbury, the Selectmen of said Town hereby make regulations as follows:

1. No person, without a permit from the Selectmen, shall take from the waters of said Town any eels, clams, quahogs, or scallops except as specifically allowed by law. Before receiving a resident family permit or commercial license, the applicant shall provide three (3) proofs of residency requirements such as current tax bills, voter registration, listing on annual street list, utility bills stating location of service, MA State issued identification card and drivers' license.

2. No person shall be granted any such permit for the taking of quahogs and clams or scallops unless he/she agrees (and the acceptance of such permit shall constitute such an agreement) that he/she will at any time or place, when requested to do so by the Selectmen or by their authorized agent, or by any Constable of said Town, open such building, boat, barrel, tub, crate, or other receptacle belonging to him/her, or being under his/her control, and fully expose to him/her the contents thereof for inspection; and, if such holder of permit when so requested, refuses or neglects to do so, said Selectmen may revoke said permit or suspend the same for any stated time, at their discretion.

3. Any person is obligated, on request of the Constable or his/her assistants to land his/her catch that it may be inspected, or display his/her license. The landing places are as follows:

*Tashmoo Pond at the foot of Lake Street

*Vineyard Haven Harbor at the Town Pier

*Lagoon Pond at the Ramp

4. Every license, permit or certificate issued under the provisions of this Chapter or any provision of law relating to marine fish or fisheries, or rules and regulations made under authority thereof, held by any person convicted of a violation of any of the laws relating to marine fish and fisheries or any regulations made under authority thereof by a court of competent jurisdiction, shall be suspended and inoperative for one month for the first offense, three months for the second offense and for one year for any subsequent offenses. (Chapter 130, section 2)

5. Any person taking seed scallops, quahogs, or clams from the flats or tidewaters of said Town is subject to a fine not exceeding twenty-five dollars for each offense unless he/she immediately returns them to tidewater which is at least three feet deep at mean low water (A seed scallop is any scallop which does not show a well-defined growth line, regardless of size; quahogs must be 1" thick and clams are no less than 2" in diameter). Whoever has in his/her possession more than 5% seed shall be fined not less than Ten Dollars (\$10.00) nor more than Fifty Dollars (\$50.00) or imprisonment for thirty days, or both. All shellfishermen must have in their possession an official shellfish gauge when harvesting quahogs or clams.

6. All shellfish must be landed in the shell.

7. Dredging may be prohibited, with the approval of the Board of Selectmen in any area where, in the Constable's opinion, too much seed is endangered. Hydraulic jetting, including propeller dredging, for any species of shellfish in Tisbury waters is prohibited.

All quahog and clam dredging or jetting is strictly prohibited in Lake Tashmoo and Lagoon Pond. Hand digging or raking are

allowed in the ponds Quahog dredging may be allowed in the harbor with written permission from the constable.

8. Whoever catches or takes from the coastal waters any green crabs, spider crabs, mud crabs, starfish, winkles, or their egg strings, or cockles, and codium, shall deposit the same at some place above high water mark, at one of the official landing places. (Chapter 130, Section 103).

9. Whoever violates any provisions of Paragraph 8 above, shall be punished by a fine of five dollars and, in addition thereto, all permits and licenses issued to such person under the authority of this Chapter shall be void and no new permit or license shall be issued to him/her under such authority within the six months next following the date of his/her conviction except upon approval of the Director.

10. Commercial taking of shellfish shall be prohibited in the area described as follows: In Lagoon Pond, from the property owned by Edward Thomas to Seaton's Point as marked by the Shellfish Constable; in Tashmoo Pond, the north end the pond, going from East to West of inside red buoy as marked by the Shellfish Constable.

11. No person shall take scallops for either family use or for commercial use from April 1 of any calendar year until a date after October 1st set for opening the scallop season by the Selectmen, for family or commercial use for the following areas: Tashmoo Pond, Lagoon Pond, Vineyard Haven Inner and Outer Harbor.

12. The shellfish constable with consultation from the shellfish advisory committee may designate an area each scallop season for dip-netting only. The area will be marked with buoys set out by shellfish personnel. No dragging will be allowed.

13. No boat used for the taking of scallops shall exceed twenty-four feet (24') in length at the water line in Lagoon Pond and Lake Tashmoo.

14. Scallop dredges must not have any lead in their construction and must be individually tied to the boat, gang dredges are prohibited. (Gang dredges are more than two dredges fasten together) No boat shall use more than four (4) drags, at any one time. No drag shall exceed thirty-six inches (36") in width.

15. Any person holding a valid resident license may obtain one and only one bushel of scallops per week, per boat, for an elderly resident or a disabled resident who is unable to fish but who holds a valid permit, provided that the person for whom the scallops are obtained first notifies the shellfish warden in person or in writing and that the fisherman carry that person's shellfish license when fishing. All shellfish permit holders shall be physically present for the entire duration of the time required to catch the daily limit with the exception as noted above in paragraph 15.

16. All areas shall be open to shellfishing with the exception of the following: Vineyard Haven Harbor is closed from May 1 - October 31 each calendar year. In Tashmoo the area from Packers dock across the pond by the Herring run is closed permanently.

17. The posting of these regulations shall in no way prohibit the Selectmen from making the changes after notice and public hearing. Changes in Shellfish Regulations will be posted and will, immediately thereafter, be applicable.

18. The Statutes of the Commonwealth and all general regulations of the Town shall apply to the family permit.

19. Violation of any part of the Town regulations shall be subject to punishment as follows: Fifty Dollar (\$50.00) fine and suspension of license for one month for the first offense, One Hundred Dollar (\$100.00 fine and suspension of license for 3 months for the second offense and Five Hundred Dollar (\$500.00) fine and suspension of license for one year for the third offense.
